Subject: Re: McBride v. Washington Township et al. 1:19-cv-17196

CAUTION - EXTERNAL:

Dr. McBride,

I take it that you have some other dealings involving Washington Township and perhaps even Mr. Saginario that are entirely unrelated to this litigation. I say that because your case remains dismissed yet you continue to communicate with the court making unfounded allegations regarding my clients and referring to events of which I have absolutely no knowledge or involvement. Your letters most certainly have absolutely nothing to do with the current litigation.

I must insist that you stop your continued improper communications to this Court that have absolutely no connection to the present litigation. If you continue to do so, we will be left with no alternative but to seek sanctions against you associated responding. I would prefer not to bother the Court with such a request, but you are leaving little alternative.

Finally, any suggestion in your correspondence to Mr. Saginario has been either "admonished" by the Court or has ever acting unprofessionally is patently rejected. Indeed, I would suggest that your accusations against him and his firm message are treading dangerously close to actionable language.

Moving forward, kindly restrict any communications to the Court to those directly relevant to the procedural posture of this case and nothing else.

Respectfully,

Sean X. Kelly
